

Youth Work Ireland Louth (<https://www.activelink.ie/node/37837>)

Mission

Louth Work Ireland (Louth) offers opportunities to young people to advance and encourage the personal, social, emotional, spiritual, physical, cultural and political development of young people through engagement in a range of activities, events, programmes and projects which endeavour to be both stimulating and challenging. Youth Work Ireland (Louth) aims to broaden the horizons and life expectations of young people and assist them in reaching their full potential as active and positive citizens in their community.

Service provision

Youth Work Ireland (Louth) highlights and addresses the issues most affecting young people both locally and nationally through the federation of Youth Work Ireland. We consult young people in making decisions and providing services that affect them. Central to our ethos is the supporting and training of volunteers throughout the county.
