

Care After Prison (CAP) (<https://www.activelink.ie/node/39951>)

Care After Prison is a peer led criminal justice charity, dedicated to changing the lives of people who have been affected by imprisonment. We work with a range of both female and male adult offenders who are on temporary release, currently in prison or who have formerly offended. We have a team of 8 staff, and a number of volunteers, delivering a range of services to those in prison and former offenders, including Prison In-Reach, Community Support Schemes, A Peer Mentor Training Programme and Family Support.

We have offices in Dublin and a satellite base in Portlaoise, and work directly with six prisons.
