

Multiple Sclerosis Society of Ireland **(<https://www.activelink.ie/node/400>)**

The MS Ireland exists to:

Facilitate People with Multiple Sclerosis (PWMS) to control their lives and environment, to live with dignity and participate in the community.

Provide support for the families and carers of PWMS.

Co-operate with the Medical, Scientific, Social and Caring professions to promote scientific research into the causes of, cure for and management of MS, and the alleviation of medical and social symptoms.

Exchange and disseminate information relating to MS.

Provide and identifiable focal point by developing and efficient effective and caring organisation to serve the needs of PWMS.
