

CREATE (<https://www.activelink.ie/node/41>)

CREATE is a leading arts support organisation, providing services for arts development and practice in Ireland.

Services - focused on standards of practice and sustainable development - are aimed at arts practitioners, arts organisations and arts projects irrespective of their area of practice or programme.

We provide advice on project planning, strategic management, funding and best practice. We also offer training in a variety of areas.

We are a membership

organisation and offer a referrals service to members for employment and projects.
