

Rehab Group (<https://www.activelink.ie/node/423>)

We are an independent voluntary organisation providing services and support for people with disabilities for more than 70 years. We are an internationally recognised and pioneering charity, enabling more than 10,000 people with disabilities to live lives of their choosing. We are a campaigning organisation that advocates on behalf of the people who use our services and their families.

MISSION

Enable people to pursue opportunities in their lives, to be more independent, participate in and contribute to society living the life of their choosing

VISION

An internationally recognised and expert organisation that positively impacts the lives of those it supports equipping them with the confidence, skills and self-belief to achieve their expressed goals.

VALUES

Our values underpin all we do, shape who we are and how we work with one another, in our organisation and in the community:

Quality – consistently achieving high standards.

Dignity – valuing the worth of all.

Teamwork – collaborating for success.

Justice – acting fairly and equitably.

Respect – listening and considering the views and wishes of all.

Advocacy – amplifying the voices of those we support to help reduce societal barriers and narrow inequalities.
