

Energy Saving Trust advice centre **(<https://www.activelink.ie/node/444>)**

Energy Saving Trust is an independent organisation – working to address the climate emergency.

A respected and trusted voice on energy efficiency and clean energy solutions, we continue to work towards a smart, decarbonised, decentralised energy system.

- we empower millions of householders every year to make better energy choices
- we deliver transformative energy programmes working with governments
- we support businesses with energy efficiency strategies, research, assurance and communications, enabling them to play their part in building a sustainable future

Energy Saving Trust – be part of a positive change.
