

Merchant's Quay Ireland (<https://www.activelink.ie/node/549>)

Merchant's Quay Ireland works for justice and opportunity for homeless persons, drug users and others who are excluded. We create a place of safety, compassion and welcome for all who enter our doors and offer high quality services to meet their needs.

We believe in and cherish the value of every human being in keeping with our commitment to social justice coming from our origins in the Franciscan Tradition.
