

## **North West MS Therapy Centre** **(<https://www.activelink.ie/node/553>)**

The **North West Therapy Centre** is a 5 days service established by a Voluntary Committee in 1993 to provide treatment, management and networking services for people with **Multiple Sclerosis**. These services also extend to their families and carers within a therapeutic environment bearing in mind new research and developments in relation to the condition.

The Centre is a response to National trends, which showed an increased incidence of Multiple Sclerosis in this area.
