

Crime Victims Helpline (<https://www.activelink.ie/node/569>)

Crime Victims Helpline is a National Helpline which offers support to victims of crime in Ireland. Established in 2005 our aim is to support, inform and empower victims of crime and all those affected by crime.

Our trained volunteers take calls as follows:

Monday 10.00 to 19.30

Tuesday to Friday 10.00 to 17.00

Saturday 14.00 to 16.00

FREE PHONE 116006

Outside those hours if you leave a message asking us to contact you we will do so promptly.

The service is provided by a team of trained volunteers who are based in Dublin and who take calls from anywhere in Ireland.

While we cooperate closely with an Garda Síochána we are a separate and independent Helpline, and all calls to our line are confidential.
