

## **[Active Retirement Ireland \(https://www.activelink.ie/node/574\)](https://www.activelink.ie/node/574)**

Active Retirement Ireland (ARI) is a national membership organisation that aims to enable older people to lead a full, happy and healthy life through a range of opportunities organised by local older people themselves through local Active Retirement Associations.

ARI has a membership of 457 local associations.

Membership of the local associations is open to retired men and women over the age of 55 years. Our philosophy is based on older people doing things for themselves.
