

IndependentAge (<https://www.activelink.ie/node/579>)

IndependentAge is an established charity that helps older people on low incomes to live with independence and dignity in later years.

Our practical support enables older people to stay in their own homes for as long as possible and live active and fulfilled lives.

IndependentAge provides small regular incomes as well as grants for unexpected expenses. If poor health or mobility are barriers to living at home, we can supply equipment like stairlifts and mobility scooters.

Our work relies on our network of volunteers who help us reach those who can benefit from our assistance and make regular visits to the older people we support. Their friendship can be just as important as financial assistance, especially to those who live alone.
