

Senior Help Line (<https://www.activelink.ie/node/584>)

Seniorline is a national confidential listening service for older people provided by trained older volunteers.

Our lines are open every day from 10am to 10pm, 365 days a year, including Christmas Day, St Stephen's Day and New Year's Day. Seniorline remains open when many statutory services are closed, and is recognised as a primary health care service helping to support older people in their community.

As well as responding to individual callers, Seniorline advocates nationally for older people in Ireland, representing their needs, concerns and wishes to media, the general public, politicians and key stakeholders.
