Comhlámh, The Association of Returned Development Workers and Volunteers.

Comhlámh is a member organisation that works to mobilise for an equitable and sustainable world. As the Irish association of development workers and volunteers, Comhlámh promotes responsible, responsive international volunteering and development work. We support people in their journey of working for social justice. We work with returned volunteers, partner organisations and member groups to foster just, inclusive societies, through progressive grassroots activism in Ireland and internationally.
