

Clare Haven Services (<https://www.activelink.ie/node/642>)

Clare Haven Services is a voluntary organisation committed to promoting the rights of women and children to live and grow in a peaceful non-violent home environment. We offer assistance to those experiencing domestic abuse which inhibits women making their own choices.

Our website provides information on the range of confidential support services available in Co. Clare to women and children who are experiencing (or experienced) domestic abuse.

There is information on how to recognise abusive behaviour in relationships and you will also find information on relevant events and news updates.

We welcome those of you who wish to support this critical work we do in our community.
