

Crisis Pregnancy Agency (<https://www.activelink.ie/node/671>)

The Crisis Pregnancy Agency is a planning and co-ordinating body, rather than a service provider, and is mandated to prepare and oversee a strategy to provide for;

- A reduction in the number of crisis pregnancies by the provision of education, advice and contraceptive services.
- A reduction in the number of women with crisis pregnancy who opt for abortion by offering services and supports which make other options more attractive;
- Counselling and welfare services after crisis pregnancy.

The Agency will work, on an ongoing basis, with statutory and non statutory agencies to ensure successful implementation of the strategy
