

Christian Aid (<https://www.activelink.ie/node/700>)

Christian Aid is an agency of the churches in Ireland and the UK. We work wherever the need is greatest – irrespective of religion or race.

Christian Aid works in more than 50 countries with over 600 partners.

Because we believe in strengthening people to find their own solutions to the problems they face, we support local organisations, which are best placed to understand local needs. We also give help on the ground through 16 overseas offices.

We strive for a new world transformed by an end to poverty and we campaign to change the rules that keep people poor.

We believe in life before death.
