

Tuath Housing Covid-19 Emergency Fund Round 2 open for applications (<https://www.activelink.ie/node/80353>)

Tuath Housing Association was established and registered in 2000, awarded Voluntary Housing Status by the Department of the Environment and is a member of the Irish Council for Social Housing. We provide housing to over 15,000 tenants and currently manage over 5,500 homes across Ireland.

The Tuath Housing Community Covid-19 Emergency Fund was set up to assist residents' groups involved in Tuath Housing's Tenant Engagement initiative, local community groups and not-for-profit organisations who are providing support to vulnerable people during the Covid-19 pandemic in communities where Tuath Housing tenants live. Last year we supported 16 not-for-profit organisations through the fund.

The fund will assist not-for-profit groups and organisations who are providing essential supplies and services to vulnerable people during the Covid-19 pandemic. This could include providing information by phone or using technology to change service delivery, supporting education, health and wellbeing, providing essential services or combatting isolation.

There is a maximum of up to €1,000 available per group/ organisation. The amount of funding granted will depend on the volume of requests for funding received.

Email getinvolved@tuathhousing.ie (<mailto:getinvolved@tuathhousing.ie>) for a copy of the application form and guidelines, or for further information. Deadline for applications is Friday 9th of April 2021. For more information about Tuath Housing visit www.tuathhousing.ie (<http://www.tuathhousing.ie>)
