#### **Run Away With Your Imagination – Individual Challenges**

Have you always fancied hiking along a famous path or trail but wondered if you have what it takes? Dublin Simon Community is inviting you to take this time to challenge yourself and find out!

Whether it's the Camino, The Inca Trail or The Wicklow Way, run walk or jog the distance safe in the knowledge that when the time comes for the real deal, you will be more than prepared.

#### **Work Together While We're All Still Apart – Group Challenges**

Look beyond the bounds of your 5KM and instead pick a location that's on your 'must visit list' and decide to undertake the challenge of walking there!

It could be London, Paris or New York, the options are endless when it comes to your imagination. Get your gang involved, be it friends, family or work colleagues and walk jog or run – not forgetting social distancing and set yourselves a collective goal of reaching your destination before the end of April. A collective effort for a great cause and it's always better to cross the finish line with friends or family.

Put a spring in your step this month, challenge your fitness and raise vital funds for those experiencing homelessness at this time.
