

Women4IT: Digital Media Executive Course **(<https://www.activelink.ie/node/80955>)**

Women4IT is offering a fully-funded training for the role of Digital Media Executive (digital marketing).

The first step for you is to register and then to take a short test to make sure this will meet your needs.

The course will begin on 12th April and will last for 10 weeks.

You will also have the opportunity to prepare, along the course, a QQI Level 5 certification in Digital Marketing, through theopencollege.ie, all for free!

AND AFTER THE TRAINING?

Once your training is complete, your mentor will help you to apply for a digital job and to settle into it.

No matter which path you choose, you will be assisted in seeking employment.
