

Global Action Plan: Global Goals - Community Group Webinar **(<https://www.activelink.ie/node/80976>)**

Does your community group want to work more sustainably? [Global Action Plan \(https://www.activelink.ie/irish-links/education-environment/global-action-plan-cork\)](https://www.activelink.ie/irish-links/education-environment/global-action-plan-cork) helps community organisations enhance their offerings with more sustainable thinking. Our free online webinar will introduce the Sustainable Development Goals, the United Nations roadmap to a fairer, cleaner future. We will connect the SDGs to the work you already do, and explore ways that your group can be more effective in bringing about local change that connects to global challenges.
