

Dublin Simon Community: Staff Nurses (BBV/Detox units) **(<https://www.activelink.ie/node/81067>)**

The Role

We have an exciting opportunity for a Registered Nurse whose role is to provide a nursing service for a very vulnerable group of people who are admitted to the Dublin Simon Residential Treatment Services. The role includes assessment of the health needs of clients which addresses their physical, social, psychological cultural and health needs. The nurse is responsible for ensuring the safety and well being of clients throughout their stay. This is done in conjunction with the visiting GP's and members of the Residential treatment teams.

Core responsibilities include:

- To effectively liaise with a range of service providers both voluntary and statutory in order to assist in the assessment of referrals to the unit.
- To complete all administrative tasks such as report writing, maintenance of accurate nursing and medical records, up to date client case notes, relevant form filling in order to ensure that the unit runs smoothly, safely and effectively.
- To facilitate groups through an effective health education and promotion programme in order to ensure that clients receive relevant information for making informed decisions.
- To liaise with the visiting G.P. in relation to admissions, prescribing of medications and in addressing the health needs of all clients in the service.
- We are looking for an individual who has a Minimum of 2 years post registration experience and is RPN or RGN on the live register maintained by An Bord Altranais for the relevant qualification/s.

Minimum job requirements:

- RPN or RGN on the live register maintained by An Bord Altranais for the relevant qualification/s
- Minimum of 2 years post registration experience

The Organisation
