

MTU Careers Service: Get Graduates Going Careers Fair **(<https://www.activelink.ie/node/81480>)**

Is your business gearing up for post-Covid expansion or recovery? Would you like your company to be first to benefit from hiring skilled and capable 2021 MTU graduates? As over 60% of new hires come through networking, here's an opportunity to meet a new talent pool right on your doorstep, MTU 2021 graduates, who you can meet at the *Get Graduates Going Careers Fair* for smaller companies run by *MTU Careers Service | Cork Campus* on **Thursday, 3rd June 2021 from 11am to 2pm**. We invite smaller companies from 1-100 employees across all sectors to book your place for this fabulous opportunity. This virtual event is accessible in a few simple steps and all through our user-friendly Careers platform, *TARGETconnect*. In keeping with the realities of recent months, this is a low-cost event.

This will be an opportunity for you to advertise short and longer-term jobs, work placement, internships, projects, part-time roles and summer work with MTU students. The event also gives companies the opportunity to network with Lecturers, Programme Coordinators and to discover ways to develop links within the university.

On the day, students and graduates can meet with the visiting companies online to hear about jobs and opportunities both right now and into the future. The event will be valuable to second year students who are looking ahead to placement next year, as well as those in final year and postgraduate courses. There will be lots of opportunity to make valuable connections that will enhance student future job search, network and also broaden their understanding of the range of companies and opportunities in this region.

We would be delighted if you would like to attend this event. To book a place just click <https://bit.ly/32vrHr9> (<https://bit.ly/32vrHr9>) (Organisation Sign-In and Register) and you will receive further information. If you are already registered with us on *TARGETConnect*, you will not need to re-register your details but only book your place. We look forward to welcoming you on the day.
