

## **Léargas & NUI Maynooth: NUI Certificate in European Youth Mobility Project Management** **(<https://www.activelink.ie/node/81544>)**

The next edition of the NUI Certificate in European Youth Mobility Project Management is ready to go! The course is operated by Léargas and NUI Maynooth.

There's a new Erasmus+ programme 2021-2027 with new opportunities for young people, youth workers and youth organisations. Learn how to integrate Erasmus+ activities into your organisation and apply for funding.

The course is aimed at youth workers and youth managers from all over the country. The course will be run online for the first time ever, which might make it easier for you to take part. It will include a Study Visit in Finland in 2022 if it is feasible. This programme is co-financed by Erasmus+.

Visit the Léargas website for more information on the dates and how to apply <https://insights.leargas.ie/nui-cert-course-21> (<https://insights.leargas.ie/nui-cert-course-21>).

We will hold an online information session for people who are interested in the programme on Monday 10 May at 3pm.
