

MSc in Loss and Bereavement and MSc in Loss and Bereavement (Clinical Practice) **(<https://www.activelink.ie/node/90793>)**

RCSI, in association with **Irish Hospice Foundation** (<https://hospicefoundation.ie/>), runs two accredited Level 9 MSc programmes focusing on loss and bereavement: **MSc in Loss & Bereavement and MSc in Loss & Bereavement (Clinical Practice)** (<https://hospicefoundation.ie/our-supports-services/education-training/bereavement-post-graduate-courses/msc-loss-bereavement/>). Both programmes are rooted in contemporary scientific research and designed against a policy and professional regulation backdrop.

For MSc Loss & Bereavement, applications are warmly invited from representatives of a wide range of professional disciplines who wish to develop a deeper understanding of loss and grief at individual and societal level or whose work/volunteering roles involve the organisation of bereavement support in community, health or other areas of general bereavement care.

For MSc Loss & Bereavement (Clinical Practice), applications are warmly invited from mental health professionals such as counsellors, psychotherapists, psychologists, social worker bereavement coordinators and others who design and implement clinical bereavement interventions as part of their practice.

MSc Loss & Bereavement brochure 2022-2024 PDF | 4492.6 KB (<https://www.rcsi.com/dublin/-/media/feature/media/download-document/dublin/postgraduate/bereavement-and-loss/msc-loss-and-bereavement-brochure.pdf>)

These postgraduate programmes have been designed to impact on health, social and community systems and ultimately to enhance quality of life. They are evidence-based, rooted in contemporary scientific research and clinical skills training as well as being designed against a policy and professional regulation backdrop.
