

Rethink Ireland (<https://www.activelink.ie/node/92406>)

Rethink Ireland provides cash grants and business support to the social innovations who can make a real difference. Our task is to fuel these innovations with the knowledge and the advice they'll need to succeed on a nationally impactful scale.

We're here to open doors and give them access to the networks and connections who can help them spread their ideas throughout Ireland. We nurture communities of like-minded organisations who come together to share thoughts and approaches.

Based in Galway, Cork and Dublin, our staff are strategically located to hold events, seminars and Accelerator programmes to support social innovations across the country.

OUR VISION

Our vision is an Ireland which is more just, equal and sustainable because of social innovation.

OUR MISSION

Our mission is to support the best social innovations so that they can grow and maximise their impact across Ireland.

OUR VALUES

- We work with our hearts and our heads – we value compassion, passion and fun.
- We take smart risks and we allow permission to fail because we know that innovation and risk are two sides of the same coin.
- We believe that social change is a team sport – we use influence and engagement to build trusted relationships, and we choose to collaborate to achieve our goals.
- We demonstrate curiosity and a hunger to learn.
- We value bold ideas and bold leadership, and we develop remarkable people.
