

Migrant Rights Centre Ireland **(<https://www.activelink.ie/node/92413>)**

MRCI is a national organisation working with migrants and their families in Ireland to promote justice, empowerment and equality.

Our Vision

Our vision is for an open, equal, just and diverse society where migrant workers and their families can move, work and live in dignity.

Our Mission

Grounded in social justice, antiracism and equality, our mission is to empower migrant workers in low paid and precarious work to secure and advance their rights through collective action.
