We have been working with the local community since 1984 and our goal is to provide a variety of Community Development and Family Support Programmes for children, adults and Families living in the Newbridge area.

We also provide a quality Childcare service.

Core to the work of the Centre is the provision of a friendly and accessible drop in service where you can access information and support .

Newbridge Family Resource Centre is one of 121 Family Resource Centres in the country. Family Resource Centres are not-for-profit organisations run by a Voluntary Board of Management and funded by Tusla Child and Family Agency. Every Family Resource Centre was established to provide a range of supports that help families meet the day-to-day challenges of everyday life.
