

Westmeath Community Development **(<https://www.activelink.ie/node/92434>)**

Westmeath Community Development is a partnership which empowers people and communities to overcome disadvantage and enhance the quality of their lives.

Westmeath Community Development was formed in 1993 to access funding under the LEADER II programme in order to carry out a programme of rural development throughout County Westmeath.

In 1996 it also became the Area Based Partnership for the County and as such qualified to deliver Local Development Social Inclusion programmes.

The company now administers a range of programmes which this website aims to give you information on. We hope that the details and information contained herein are easy to read and understand and that they provide you with answers to any questions you may have had.
