

Youth Work Ireland Tipperary **(<https://www.activelink.ie/node/92554>)**

Youth Work Ireland Tipperary delivers an integrated youth service across Tipperary and East Limerick, working with young people aged between 8 and 25 years, their families and communities.

Youth Work Ireland Tipperary is a thriving volunteer led organisation working with our young people aged from 8 to 25 years and a network of locally based youth clubs throughout Tipperary and East Limerick. We are a youth service which is forward thinking, creative and passionate about exploring opportunities and facing challenges with our young people, and we place them at the centre of everything that we do. We are strong and flexible, responding to local needs and linking with national and international practices to ensure that we continue to build on our history and experience and grow to be a leader in youth service provision. We see the potential in young people and will ensure that others do also.
