Circle Voluntary Housing Association was set up in 2003 to provide high quality social and affordable housing to families and individuals in the Dublin area. It now operates in 28 schemes across Dublin and Kildare, providing housing to approved applicants on local authority housing waiting lists. It also provides facilities management services.

Circle VHA works in partnership with tenants, statutory and community-based agencies to enable socially responsible, environmentally acceptable and sustainable communities in its developments.

Our purpose is to deliver quality homes and innovative integrated housing solutions to individuals and families in Ireland. Our vision is to make a difference by providing quality homes for people in housing need. And our values are: **We Hear!**
