

Tipperary Education and Training Board **(<https://www.activelink.ie/node/92775>)**

Tipperary Education and Training Board (ETB) is one of 16 ETBs established under the Education and Training Boards Act 2013. The introduction of this legislation in 2013 saw both North Tipperary Vocational Education Committee and South Tipperary Vocational Education Committee amalgamate to become one Education and Training Board (ETB). Prior to the Education and Training Boards Act, there were 33 VEC's which were established under the Vocational Education Act 1930 – 2001. The remit of Tipperary Education and Training Board, as the statutory provider of education for the County is the provision of a comprehensive range of quality education programmes to meet the needs of the community we serve. These include Second Level/Post Primary Education, Post Leaving Certificate Programmes, Further Education and Training Services. In addition, Tipperary ETB plays a significant role in the Strategic Development of the County through a variety of inter-agency programmes.
