

Galway Rural Development (<https://www.activelink.ie/node/92812>)

Galway Rural Development, through the programmes we manage, work along with individuals, community groups and other agencies to improve the quality of life for all in our area. We especially work with those most in need of help and look to create real chances for people to make positive changes for themselves and their communities across rural Galway.

Vision

GRD's vision is to nurture the development of sustainable and prosperous towns and villages while maintaining the unique culture, heritage, environment and natural beauty of County Galway.

Mission

GRD's mission is to advocate for and implement, inclusive rural and community development programmes that enhance people's lives, revitalise communities, support enterprise development and maintain the natural and built heritage throughout County Galway.
