

Autism Initiatives (<https://www.activelink.ie/node/92947>)

With nearly fifty years experience we work positively alongside people with autism, their families and carers providing specialist services tailored to each individual.

In a variety of locations throughout the UK and Ireland we offer a wide range of support for autistic people. From supported living to schools, from a short break service to one stop shops, from work placements to training, clubs and activities, Autism Initiatives has a wealth of resources and expertise that support autistic people to achieve their personal goals.
