

Odyssey Social Care (<https://www.activelink.ie/node/94878>)

We are an organisation providing full-time residential care for young people aged 7-18 built on the foundation of loyalty and brilliance from its team. We guarantee the highest quality of care to the young people we support across Ireland.

To achieve this, we ensure that the best people are in our organisation, and we provide support not only to the young people but to our team members as well. This is so we can best prepare our young people on the next step of their journey.

As an organisation, with the help of our dedicated team, we are committed to achieving positive impactful growth for our young people.
