

Philanthropy Ireland (<https://www.activelink.ie/node/99636>)

We champion the power of strategic giving to effect real and lasting change.

We are the independent body supporting philanthropy in Ireland. Representing a diverse and engaged membership, we promote best practice, inform government policy, and raise awareness of strategic giving as an effective driver of social change.

Our vibrant community disburses over €200m a year to 2,000+ projects that improve social mobility, care for the vulnerable, inspire the next generation, and so much more.

While our membership is diverse, we share the same mission: to strengthen the social sector by advancing knowledge, practice and understanding of philanthropy.

Our Vision

Ireland is a global leader in philanthropy characterised by philanthropy being a tangible force for good in society.

Our Mission

To strengthen the social sector by advancing knowledge, understanding and practice of philanthropy.
