

## **Concern Worldwide: Fundraising Volunteers Needed** <sup>[1]</sup>

Feel like there are things in this world that need to change? We work with the world's poorest people to transform their lives. Together with our amazing supporters, we are working for a world free from hunger and poverty.

And here's a chance to make a difference.

Volunteering for collections will bring in donations that will aid this work, to that end I am looking for willing bodies to get out into their local towns and help to raise money for Concern, so we can continue to better the lives of those less fortunate.

We have been granted permission to collect in various areas around the country, if you want to take part in or run a collection get in touch. The difference your participation will make is enormous.

### ***All you need to do is:***

1. Getting out into your local towns and shopping centres and shaking a bucket like it's never been shook before.
2. If you can sing and have friends who can sing also, then by all means sing to your hearts content, but don't forget your bucket, sing those Christmas tunes.
3. A few hours of you time, and if you have others who are willing, a few hours of their time to.
4. Oh and a smile!!

An hour or two of your time can and will make a difference.
