**NOTE: This item has expired and will soon be unavailable for viewing.**

The Cottage Home Child and Family Services are seeking personnel for their Residential Services.

We would like to add to our Relief Panel. Due to maternity leave etc. we have a high quota of hours available for staff on our relief panel.

All Candidates applying **must** have, minimum, **Social Care Degree (Level7/8)**

***Please Note other qualifications, e.g. Social work, psychology, nursing, in this instance are not acceptable.***

A Full clean Driving Licence would be preferable.

The Cottage Home Child and Family Services are a Voluntary Organisation. We receive funding from Tusla to provide residential care, but remain an autonomous provider. Salaries are in line with Tusla Pay Scales and staff are eligible to join the HSE Pension Scheme.

The Cottage Home is a progressive, dynamic and inclusive organisation. We apply much emphasis to the development and support of our work force. Our turnover of staff is very low and we consider our services to be centres of excellence.
