Recruitment Process

1. Who should apply?

We are very interested to receive applications from all suitably qualified individuals who are interested in working with Tusla – Child and Family Agency.

For each post there are criteria that apply to applicants which will determine if you are eligible or ineligible. Eligibility criteria are detailed on the Job Specification for each post.

If I have a disability, can I still apply?

The Disability Act 2005 sets out a legal obligation on public service bodies to take all reasonable measures to promote and support, in so far as possible, the employment of persons with a disability.

Tusla Recruit has a key role to play in attracting candidates from all sectors of society, ensuring that routes to career opportunities are accessible to all who are interested. We are committed to equality of opportunity for all candidates.

If you have a disability or need reasonable accommodations made during the selection process, we strongly encourage you to share this with us so that we can ensure you get the

support you need. Reasonable accommodation in our selection process refers to adjustments and practical changes which would enable a disabled candidate to have an equal opportunity for any competition.

Please be assured that having a disability or requiring adjustments will not impact on your progress in the selection process; you will not be at a disadvantage if you disclose your disability or requirements to us. Your disability and/or adjustments will be kept entirely confidential.

If you would like to talk about your application or any accommodations that may be of benefit during the recruitment process, please contact our Accessibility Champion, Magda Basinska on magdalena.basinska@tusla.ie

2. How do I apply for this post?

You must complete the Tusla Recruit online application particular to this post. All posts are posted on the following links:

- <http://www.tusla.ie/about/careers-in-tusla> or <http://www.tusla.ie/staff/tusla-internal-jobs> you need to access the link and follow on- line application instructions.
- Please ensure that you have completed your Tusla Recruit Profile in full and you are happy that the information you have provided is accurate.
- The online application system has a time out facility, this is in order to protect the privacy of the user. This time out facility activates if the application has been ‘dormant’ for over 60 minutes. Any work not saved will be lost if the system times out due to lack of activity. As such please ensure to save your application as you work on it, any lost data cannot be recovered. It might be an idea for candidates to work on their applications outside of the system and copy and paste their answers into the

online application forms once they are fully complete and submit then. Once your application is fully submitted you will receive a confirmation email to your profile. If you do not receive this email, your application HAS NOT been submitted and received and you should log back on to submit fully.

- As we require the same information from all candidates in order to make fair decisions on their applications we will not be able to process applications by any method other than that of the Tusla Recruit online application process.
- Tusla Recruit can only accept complete applications received by the closing date and time specified on the Job Specification.
- You are required to answer **all questions** asked of you on the application form and provide specific dates and details as requested. If you omit information pertinent to your eligibility in the questions asked it may result in your application being deemed ineligible and subsequently not called forward to interview. Information must be clear and outlined in format requested. The onus is on the candidate to provide all information requested in format required on the on-line application form.
- There is no need to sign on-line applications; we will request candidates to sign their application form at interview if called to attend.
- We will not be able to process applications by CV or any other method than that requested.
- Support is available with on-line applications from the Tusla Recruit Team, if you need support please send an email request to tuslarecruit@tusla.ie and put the words **System Support** in the subject bar of the email. Provide a contact number in the email and then a member of the team will contact you directly.

We will contact you mainly by mobile phone and emails to your Tusla Recruit Profile. Therefore, we recommend you specify in your application your personal mobile number and you fully complete your Tusla Recruit profile. It is your responsibility to ensure you have access to your mobile voice mails, text messages and your Tusla Recruit Profile. If you choose to use your work mobile and you do not have access to Tusla Recruit you may receive communications that have a time deadline requirement while working away or on leave. Please also ensure that you have registered your profile with an email address that you have access to inside and outside of working hours. If you use your work email and do not have access to this at all times you may

miss communications and deadlines. It is your responsibility to be available for Tusla Recruit communications.

3. How will the selection process be run?

- You must complete the official application form in full on line. If you do not complete the application form in full your application may not be submitted to the selection board for consideration and subsequent interview (if applicable).
- A selection panel of senior managers will assess your application form against the eligibility criteria to see how your experience and skills match the needs of the post. The criteria for the selection exercise are based on the requirements of the post as outlined in the job specification. Therefore, it is very important that you think about your experience in light of those requirements and provide the detail requested.

There may be a number of stages of selection and short-listing or a ranking exercise may take place. Applicants who meet the eligibility criteria may be shortlisted for interview based on information supplied in the application form at the closing date or in other specified assessment process. Criteria for short listing are based on the requirements of the post as outlined in the post specific requirements, duties, skills, competencies and/or knowledge sections of the job specification and the information supplied in the competency based application form or eligibility questions, whichever is used. It is therefore very important that you think about your experience in light of those requirements and that you provide a detailed and accurate account of your qualifications and experience in your application. Please provide dates and details as requested.

While a candidate may meet the eligibility requirements of the competition, if the numbers applying for the position are such that it would not be practical to interview everyone, Tusla Recruit may decide that a number only will be called to interview. In this respect, Tusla Recruit provide for the employment of a short listing process to select a group for interview who, based on an examination of the application forms, appear to be the most suitable for the position. An expert panel will examine the application forms against a predetermined criteria based on the requirements of the position. This is not to suggest that other candidates are necessarily unsuitable or incapable of undertaking the job, rather that there are some candidates, who based on their application, appear to be better qualified and/or have more relevant experience. It is therefore in your own interest to provide a detailed and accurate account of your qualifications/ experience on the application form.

- Any applicant who did not meet the eligibility criteria/ was not shortlisted will be informed of that decision and the reason why.
- Any candidate invited to interview will be given more details regarding the interview or other additional assessment stages at a later date.

The selection process may involve additional assessments, for example:

- Short listing of candidates on the basis of the information contained in their application
 - Online and/or paper- based assessment/ tests/questionnaire(s)
 - A qualifying preliminary interview – competency based
 - Work sample/role play/ media exercise
 - A competency based interview which may include a presentation and any other tests or exercises that may be deemed appropriate. Applicants deemed eligible, will be notified of these additional stages if applicable and may be required to attend additional assessments and interview.
- Candidates who are successful at interview may be placed on a panel (Talent Pool) in order of merit.
 - We will offer the posts to the candidates with the highest scores on the panel (Talent Pool).
 - Weighting may take place in situations whereby 2 or more candidates are placed in the same position on a panel (Talent Pool). The candidate with the highest score in professional knowledge will be ranked highest.
 - If a candidate declines the post we will offer it to the next highest scoring candidate etc.
 - Tusla Recruit must be satisfied that it has a full and comprehensive suite of references which assures it that the applicant's past performance and behaviours are appropriate to the post. Tusla Recruit determines the merit, appropriateness and relevance of references. Tusla Recruit reserves the right to remove candidates from specific recruitment panels (Talent Pools) and retract job offers if satisfactory clearances (e.g. past /current employment references, security clearances) cannot be obtained or are unsatisfactory. All previous employers may be contacted for reference purposes. Please note Tusla Recruit may retract a job offer if sufficient satisfactory references cannot be

obtained in a time frame congruent with service need. Tusla Recruit reserves the right to retract a job offer should the successful candidate be unable to fulfil the provisions / criteria of the specific post in line with service need.

Please note:

Where Qualifications are deemed essential within the eligibility criteria, unless otherwise stated on the job specification all qualifications essential are to be in full and complete.

Qualifications/eligibility may not be confirmed until the final stage of the process, therefore, those candidates who do not possess the essential requirements, on the date specified within the Job Specification/Candidate Information Pack, and proceed with their application are putting themselves to unnecessary effort/expense and will not be offered a position from this campaign.

Please note that, given the volume of applications, Tusla Recruit is not in a position to consider or offer advice on the qualifications/eligibility of individuals unless they come under consideration. The onus is on the candidate to ensure they fulfil the eligibility requirements set out above. Tusla Recruit reserves the right to deem an applicant ineligible at any stage if it is apparent that the candidate does not hold the required eligibility/qualifications e.g. from the submitted application form. Candidates who come under consideration following the final selection stage will be required to provide documentary evidence of their eligibility, including qualifications.

Candidates who are unable to show that they hold the required qualifications may be withdrawn from the campaign at any stage.

An invitation to tests, interview or any element of the selection process is not acceptance of eligibility.

Where QQI is referred to within the essential criteria further detail can be found here:

<https://www.qqi.ie/>

4. Acceptance / Declination of a Job Offer

The time lines and panel management rules (i.e. how posts are offered) for each individual post will be included in the email communication sent to you for each individual post which arises and is relevant to your order of merit on the panel (Talent Pool).

Please note that any such communications will be made via the email address that you have registered your Tusla Profile with. As such please also ensure that you have registered your profile with an email address that you have access to inside and outside of working hours. If

you use your work email and do not have access to this at all times you may miss communications and deadlines. It is your responsibility to be available for Tusla Recruit communications.

Please note that some appointments are also subject to internal HR sequencing arrangements and legal obligations/agreements.

5. Campaign Time Scales

The Closing date for this position is as stated in the Job Specification.

It is anticipated that interviews will be scheduled on the dates as specified in the Job Specification. Therefore, we advise that you note these dates in your diary now as due to the limited availability of the interview board it is unlikely that an alternative interview date and time can be offered. Interviews will be held in person only, therefore candidates must be available to present for interview.

6. Security Clearance

Our office will seek Garda Vetting for all of your residences in the Republic of Ireland and Northern Ireland.

All appointments will require satisfactory security clearances. If you lived in any country for 6 months or more other than the Republic of Ireland or Northern Ireland you will be required to provide security clearance for each jurisdiction in which you have resided. Your security clearance must be dated AFTER you left that country and cover the entire period of your residence. Seeking security clearances from other countries (e.g. UK, USA etc) are the responsibility of the candidate. It is a process which can take an amount of time. Therefore if you are interested in pursuing a career with Tusla we would strongly advise that you commence seeking international security clearances now. Please see **Appendix 2** for more information on international clearances.

Please note if you require overseas security clearance and are unable to produce it at the time of job offer then the job offer may be withdrawn.

The criteria for short listing are based on the requirements of the post as outlined in the eligibility criteria and skills, competencies and/or knowledge section of this job specification. This document contains important information regarding this campaign. We recommend that you read this document before making application. In this document we lay out the regulations by which the campaign will be run and we explain the recruitment and selection process. This document outlines what we require from you and in what format it is required. This is to ensure we have the same information from all candidates and that candidates are treated in the same manner.

Recruitment Process

1. Who should apply?

We are very interested to receive applications from all suitably qualified individuals who are interested in working with Tusla – Child and Family Agency.

For each post there are criteria that apply to applicants which will determine if you are eligible or ineligible. Eligibility criteria are detailed on the Job Specification for each post.

If I have a disability, can I still apply?

The Disability Act 2005 sets out a legal obligation on public service bodies to take all reasonable measures to promote and support, in so far as possible, the employment of persons with a disability.

Tusla Recruit has a key role to play in attracting candidates from all sectors of society, ensuring that routes to career opportunities are accessible to all who are interested. We are committed to equality of opportunity for all candidates.

If you have a disability or need reasonable accommodations made during the selection process, we strongly encourage you to share this with us so that we can ensure you get the support you need. Reasonable accommodation in our selection process refers to adjustments and practical changes which would enable a disabled candidate to have an equal opportunity for any competition.

Please be assured that having a disability or requiring adjustments will not impact on your progress in the selection process; you will not be at a disadvantage if you disclose your

disability or requirements to us. Your disability and/or adjustments will be kept entirely confidential.

If you have indicated on your application/profile that you require reasonable accommodations, please submit a psychologist/medical report with your application.

The purpose of the report is to provide Tusla Recruit with information to act as a basis for determining reasonable accommodations, where appropriate. The information within these reports that is useful for us to see includes the outcome of any diagnostic tests conducted by your psychologist/doctor, and their summary of recommendations in relation to your requirements. You may redact (block out) parts of medical reports/psychologist's reports that you feel are sensitive or unnecessary for the decision to make reasonable adjustments.

If you would like to talk about your application or any accommodations that may be of benefit during the recruitment process, please contact our Accessibility Champion, Magda Basinska on magdalena.basinska@tusla.ie

Tusla Recruit still expects that any person appointed to a position will have demonstrated an ability to effectively carry out the duties and responsibilities of the role.

Further eligibility information is available on the appendices detailed below:

- For information on “Non-European Economic Area Applicants” please see Appendix 1.
- For information on Security Clearance please see **Appendix 2**.
- Please note information regarding applicants who are in receipt of pensions from particular superannuation schemes, please see **Appendix 3** for more information on this.

2. How do I apply for this post?

You must complete the Tusla Recruit online application particular to this post. All posts are posted on the following links:

- <http://www.tusla.ie/about/careers-in-tusla> or <http://www.tusla.ie/staff/tusla-internal-jobs> you need to access the link and follow on- line application instructions.

- Please ensure that you have completed your Tusla Recruit Profile in full and you are happy that the information you have provided is accurate.
- The online application system has a time out facility, this is in order to protect the privacy of the user. This time out facility activates if the application has been 'dormant' for over 60 minutes. Any work not saved will be lost if the system times out due to lack of activity. As such please ensure to save your application as you work on it, any lost data cannot be recovered. It might be an idea for candidates to work on their applications outside of the system and copy and paste their answers into the online application forms once they are fully complete and submit then. Once your application is fully submitted you will receive a confirmation email to your profile. If you do not receive this email, your application HAS NOT been submitted and received and you should log back on to submit fully.
- As we require the same information from all candidates in order to make fair decisions on their applications we will not be able to process applications by any method other than that of the Tusla Recruit online application process.
- Tusla Recruit can only accept complete applications received by the closing date and time specified on the Job Specification.
- You are required to answer **all questions** asked of you on the application form and provide specific dates and details as requested. If you omit information pertinent to your eligibility in the questions asked it may result in your application being deemed ineligible and subsequently not called forward to interview. Information must be clear and outlined in format requested. The onus is on the candidate to provide all information requested in format required on the on-line application form.
- There is no need to sign on-line applications; we will request candidates to sign their application form at interview if called to attend.
- We will not be able to process applications by CV or any other method than that requested.
- Support is available with on-line applications from the Tusla Recruit Team, if you need support please send an email request to tuslarecruit@tusla.ie and put the words **System Support** in the subject bar of the email. Provide a contact number in the email and then a member of the team will contact you directly.

We will contact you mainly by mobile phone and emails to your Tusla Recruit Profile. Therefore, we recommend you specify in your application your personal mobile number and you fully complete your Tusla Recruit profile. It is your responsibility to ensure you have access to your mobile voice mails, text messages and your Tusla Recruit Profile. If you choose to use your work mobile and you do not have access to Tusla Recruit you may receive communications that have a time deadline requirement while working away or on leave. Please also ensure that you have registered your profile with an email address that you have access to inside and outside of working hours. If you use your work email and do not have access to this at all times you may miss communications and deadlines. It is your responsibility to be available for Tusla Recruit communications.

3. How will the selection process be run?

- You must complete the official application form in full on line. If you do not complete the application form in full your application may not be submitted to the selection board for consideration and subsequent interview (if applicable).
- A selection panel of senior managers will assess your application form against the eligibility criteria to see how your experience and skills match the needs of the post. The criteria for the selection exercise are based on the requirements of the post as outlined in the job specification. Therefore, it is very important that you think about your experience in light of those requirements and provide the detail requested.

There may be a number of stages of selection and short-listing or a ranking exercise may take place. Applicants who meet the eligibility criteria may be shortlisted for interview based on information supplied in the application form at the closing date or in other specified assessment process. Criteria for short listing are based on the requirements of the post as outlined in the post specific requirements, duties, skills, competencies and/or knowledge sections of the job specification and the information supplied in the competency based application form or eligibility questions, whichever is used. It is therefore very important that you think about your experience in light of those requirements and that you provide a detailed and accurate account of your qualifications and experience in your application. Please provide dates and details as requested.

While a candidate may meet the eligibility requirements of the competition, if the numbers applying for the position are such that it would not be practical to interview everyone, Tusla Recruit may decide that a number only will be called to interview. In this respect, Tusla Recruit provide for the employment of a short listing process to select a group for interview who, based on an examination of the application forms, appear to be the most suitable for the position. An expert panel will examine the application forms against a predetermined criteria based on the requirements of the position. This is not to suggest that other candidates are necessarily unsuitable or incapable of undertaking the job, rather that there are some candidates, who based on their application, appear to be better qualified and/or have more relevant experience. It is therefore in your own interest to provide a detailed and accurate account of your qualifications/ experience on the application form.

- Any applicant who did not meet the eligibility criteria/ was not shortlisted will be informed of that decision and the reason why.
- Any candidate invited to interview will be given more details regarding the interview or other additional assessment stages at a later date.

The selection process may involve additional assessments, for example:

- Short listing of candidates on the basis of the information contained in their application
 - Online and/or paper- based assessment/ tests/questionnaire(s)
 - A qualifying preliminary interview – competency based
 - Work sample/role play/ media exercise
 - A competency based interview which may include a presentation and any other tests or exercises that may be deemed appropriate. Applicants deemed eligible, will be notified of these additional stages if applicable and may be required to attend additional assessments and interview.
- Candidates who are successful at interview may be placed on a panel (Talent Pool) in order of merit.
 - We will offer the posts to the candidates with the highest scores on the panel (Talent Pool).

- Weighting may take place in situations whereby 2 or more candidates are placed in the same position on a panel (Talent Pool). The candidate with the highest score in professional knowledge will be ranked highest.
- If a candidate declines the post we will offer it to the next highest scoring candidate etc.
- Tusla Recruit must be satisfied that it has a full and comprehensive suite of references which assures it that the applicant's past performance and behaviours are appropriate to the post. Tusla Recruit determines the merit, appropriateness and relevance of references. Tusla Recruit reserves the right to remove candidates from specific recruitment panels (Talent Pools) and retract job offers if satisfactory clearances (e.g. past /current employment references, security clearances) cannot be obtained or are unsatisfactory. All previous employers may be contacted for reference purposes. Please note Tusla Recruit may retract a job offer if sufficient satisfactory references cannot be obtained in a time frame congruent with service need. Tusla Recruit reserves the right to retract a job offer should the successful candidate be unable to fulfil the provisions / criteria of the specific post in line with service need.

Please note:

Where Qualifications are deemed essential within the eligibility criteria, unless otherwise stated on the job specification all qualifications essential are to be in full and complete.

Qualifications/eligibility may not be confirmed until the final stage of the process, therefore, those candidates who do not possess the essential requirements, on the date specified within the Job Specification/Candidate Information Pack, and proceed with their application are putting themselves to unnecessary effort/expense and will not be offered a position from this campaign.

Please note that, given the volume of applications, Tusla Recruit is not in a position to consider or offer advice on the qualifications/eligibility of individuals unless they come under consideration. The onus is on the candidate to ensure they fulfil the eligibility requirements set out above. Tusla Recruit reserves the right to deem an applicant ineligible at any stage if it is apparent that the candidate does not hold the required eligibility/qualifications e.g. from the submitted application form. Candidates who come under consideration following the final selection stage will be required to provide documentary evidence of their eligibility, including qualifications.

Candidates who are unable to show that they hold the required qualifications may be withdrawn from the campaign at any stage.

An invitation to tests, interview or any element of the selection process is not acceptance of eligibility.

Where QQI is referred to within the essential criteria further detail can be found here: <https://www.gqi.ie/>

4. Acceptance / Declination of a Job Offer

The time lines and panel management rules (i.e. how posts are offered) for each individual post will be included in the email communication sent to you for each individual post which arises and is relevant to your order of merit on the panel (Talent Pool).

Please note that any such communications will be made via the email address that you have registered your Tusla Profile with. As such please also ensure that you have registered your profile with an email address that you have access to inside and outside of working hours. If you use your work email and do not have access to this at all times you may miss communications and deadlines. It is your responsibility to be available for Tusla Recruit communications.

Please note that some appointments are also subject to internal HR sequencing arrangements and legal obligations/agreements.

5. Campaign Time Scales

The Closing date for this position is as stated in the Job Specification.

It is anticipated that interviews will be scheduled on the dates as specified in the Job Specification. Therefore, we advise that you note these dates in your diary now as due to the limited availability of the interview board it is unlikely that an alternative interview date and time can be offered. Interviews will be held in person only, therefore candidates must be available to present for interview.

I hereby confirm my irrevocable consent to the Child and Family Agency to the making of such enquiries, as the Child and Family Agency deems necessary in respect of my suitability for the post in respect of which this application is made.
