

Are you an adult who is a Ward of Court or a Committee who acts on behalf of an adult who is a Ward of Court?

If yes, we would like to hear from you!

The National Disability Authority is carrying out research to learn about the ending of the Wards of Court system

We want you tell us how this change is affecting

- people who are Wards of Court
- people who act on behalf of a Ward of Court

This research is not connected to the Wards of Court Office.
