About the Role

We are seeking a skilled and compassionate leader to join our management team as a Community and Outreach Services Team Leader. This is a pivotal role responsible for the day-to-day management of our outreach, court accompaniment, and children's support services — all essential parts of our work supporting women and children impacted by domestic violence.

This role calls for a strong and supportive people manager with a track record of leading high-performing teams, building a positive team culture, and maintaining consistently high standards of care. The ideal candidate will have exceptional attention to detail, particularly in ensuring compliance, documentation, and accountability across services. Equally important is a deep understanding and critical analysis of domestic violence, and an ability

to embed that awareness into the design and delivery of trauma-informed, client-centered support.
