

DRAFT Table of Contents

1. Executive Summary

- Overview of the MNE Erris Workability Programme
- Key Objectives and Goals
- Summary of Outcomes and Achievements
- Major Challenges and Mitigation Strategies
- Key Recommendations

2. Introduction

- Background and Rationale
- Programme Description
- Evaluation Purpose and Scope

3. Area Profile *(Large portion of data available from MNE)*

- Geographic and Demographic Overview
- Socioeconomic Context
- Employment Landscape
- Disability Statistics and Services in the Erris Region

4. Programme Objectives and Indicators

- Objective: Improve Employment Prospects
 - Employment Rates
 - Job Shadowing and Work Experience
 - Job Readiness Skills
- Objective: Facilitate Partnerships
 - Stakeholder Engagement
 - Community Events

5. Methodology

- Data Collection Methods
- Participant Surveys and Interviews
- Employer Feedback
- Stakeholder Consultations
- Data Analysis Techniques

6. Findings and Analysis

- Participant Outcomes
 - Employment Rates and Job Placements
 - Skills Development and Training
 - Soft Skills and Confidence Building

- Employer Engagement
 - Training and Capacity Building
 - Inclusive Hiring Practices
- Stakeholder Collaboration
 - Partnerships and Networks
 - Community Involvement

7. Challenges and Limitations

- Diverse Participant Needs
- Long-term Impact Measurement
- Data Collection and Management
- Stakeholder Engagement
- Resource Constraints
- External Factors

8. Discussion

- Interpretation of Findings
- Comparison with Programme Objectives
- Success Stories and Case Studies
- Areas for Improvement

9. Recommendations

- Strategies for Enhancing Participant Support
- Approaches to Strengthen Employer Engagement
- Methods to Improve Data Collection and Reporting
- Suggestions for Sustaining Programme Impact

10. Conclusion

- Summary of Key Findings
- Overall Programme Impact
- Future Directions

11. Appendices

- Participant Survey Instruments
- Employer Feedback Forms
- Detailed Data Tables
- Additional Case Studies
