Shortlisting

The number of applications received for a position generally exceeds that required to fill the position. This is not to suggest that other candidates are necessarily unsuitable or incapable of undertaking the job, rather that there are some candidates, who based on their application, appear to be better qualified and/or have more relevant experience. An expert panel will examine the application forms against agreed shortlisting criteria based on the requirements of the position. The shortlisting criteria may include both the essential and desirable criteria specified for the position. It is therefore in your own interest to provide a detailed and accurate account of your qualifications/ experience in your application.

As part of the shortlisting process, candidates may be selected to take part in a phone screening interview. An invitation to take part in a phone screening interview will be at the discretion of the Expert Panel and does not guarantee a face-to-face interview.
